Bisexual Jess: I'm sorry for saying 'tranny'

SINGER Jess Glynne has been forced to make a grovelling apology after she said the word "tranny" in an interview.

Jess appeared on comedian Mo Gilligan's podcast last week and told a story about visiting a "tranny" strip club.

The punchline of the story was about someone feeling uncomfortable around people in the venue.

That's upset the transnians and now Jess, 31, has been forced to apologise.

Bisexual Jess (above) wrote on Instagram she is "wholeheartedly sorry" after a clip was posted online and heavily criticised.

"The way it's such an outdated term being used by someone within the LGBT community is a massive shame," tromboned one user.

Organisers of London Trans Pride sniffed the singer "still has a lot of work to do".

Beauty products won't be 'normal'

UNILEVER will drop the word "normal" from its beauty products and ban excessive editing of models' photos in a push for so-called "inclusivity".

Dove's owner said the "woke" editing ban would apply to "body shape, size, proportion and skin colour" and "normal" would be removed from 200 products.

It said it wanted to create a "more inclusive definition of beauty".

The firm has previously faced allegations that it promoted stereotypes around dark skin tones.

REACTION TO **THAT** INTERVIEW RUMBLES ON... PIERS MOR-GONE!

Host walks off GMB after spat with weatherman Alex

PIERS OFF!
Host storms away after spat with weatherman Alex (above)

PIERS Morgan stormed off the *Good Morning Britain* set live on air after the show's weatherman accused him of unfairly "trashing" Meghan Markle.

Susanna Reid was forced to send the ITV show to an early ad break after the row between her co-host and Alex Beresford boiled over yesterday morning. Piers and Alex were discussing the Sussexes' bombshell interview with Oprah, where the couple accused the Royal Family of racism.

The GMB host returned to the set after the ad break and the pair continued the debate.

Piers later tweeted: "I was annoyed, went for a little cool-down, and came back to finish the discussion."

He said it was a "strong debate" and so "worth a bit of GMB family tension".

But justifying his exit, he said: "I just prefer not to sit there listening to colleagues call me diabolical."

On Monday morning, Morgan delivered a scathing review of Harry and Meghan's bombshell interview with Oprah Winfrey, which had aired overnight in the US and has since been broadcast in the UK.

LOST COOL:
Piers with stunned Susanna

Discussing it on Tuesday morning, Beresford said: "They've had an overwhelming amount of negative press."

Turning to Morgan, he said: "I understand you've got a personal relationship with Meghan Markle - or had one and she cut you off."

"She's entitled to cut you off if she wants to. Has she said anything about you since she cut you off? I don't think she has but yet you continue to trash her..."

Morgan stood up and said "OK, I'm done with this" and strode off set, saying: "Sorry, no... sorry, can't do this."

I DON'T BELIEVE IT:
Thomas hit back at Meghan and Harry (left)

Meghan's dad blasts Royal racism claims IT'S BULLSHIT!

MEGHAN Markle's estranged father Thomas has rubbished claims the Royal Family is racist as "bullshit".

And he also branded Prince Harry "snotty" and declared: "We all make mistakes - but I've never played naked pool or dressed like Hitler, like Harry did."

By COLIN HURST news@sundaysport.co.uk

Mr Markle said he's apologised '100 times' for doing a deal with a paparazzi photographer before the royal wedding in 2018 and urged the couple to see him now they only live '70 miles away' from his Mexico home in Los Angeles.

He denied the Royal Family - or Britain - is racist, calling Meghan and Harry's claims 'bullshit' and saying if it is true a royal asked about how 'dark' Archie's skin would be, it was probably just a 'dumb question'.

Mr Markle spoke to *Good Morning Britain* after watching the Oprah interview with his daughter and her husband.

In it, Meghan said she cannot fathom hurting her son Archie in the way her own father

'betrayed' her, saying she 'found it hard to reconcile' with Thomas after he insisted that he had not been speaking to the media.

Meghan said: "I look at Archie, I think about this child, and I genuinely can't imagine doing anything to intentionally cause pain to my child."

Naked

Mr Markle said that while he did let her down, she had 'let me down too' by cutting him off after heart surgery almost three years ago.

He said: "The bottom line is she didn't lose me, she made a statement saying she lost me."

"She didn't lose me, I would've always been there for her, I'm there

for her now if she wants me."

He added: "We all make mistakes - but I've never played naked pool or dressed like Hitler, like Harry did."

Describing his last phone call with Harry, he said: "Harry had said to me if you had listened to me, this wouldn't have happened to you."

"Me, laying in a hospital bed after having a procedure, I had a stent put here and put here and that was kind of snotty, so I hung up on him."

But Mr Markle also urged his daughter to reach out to him.

He said: "I'd like to say again, I'm sorry for what I've done. This was two years ago."

"But I've tried to make it up to her. I certainly love Meghan."

Whitty: Ease up too soon and 'a lot more die'

CHRIS Whitty has warned 'a lot more people will die' if lockdown is eased too soon as he defended England's ultra-cautious roadmap out of restrictions.

The chief medical officer (above) said a third wave of the epidemic is inevitable later this year despite high vaccine uptake - pointing out that there are up to 20,000 flu deaths during a bad winter.

He claimed that while the COVID jabs will dramatically slash the hospital and death rates, the risk won't go 'right down to zero'.

Professor Whitty batted away calls for lockdown to be loosened sooner now the epidemic has been squashed to pre-second wave levels, warning: "If you open up too fast, a lot more people die."

Number 10 has promised to follow the data, not dates, but has refused to budge on its strict five-week intervals between each phase of the plan.

ITV 'bouncing back' after profits plunge

BROADCASTING giant ITV has revealed annual profits slumped by more than a third after the pandemic hit advertising revenues - but said it was seeing a turnaround despite a tough start to 2021.

The group posted a 39% plunge in pre-tax profits to £325million for 2020 as revenues fell 16% to £2.8billion.

Underlying earnings dropped 21% to £573m, which it said was better than expected thanks to a strong end to the year and £116m cost savings.

ITV said the ad market in 2021 is "challenging" due to lockdowns and restrictions, with total ad revenues set to be down around 6% in the first quarter, but added its performance is bouncing back from the crisis.

Cats 'n' dogs hit by food shortage

SAINSBURY'S has apologised to customers after running out of dog and cat food pouches due to a "national shortage".

The supermarket giant said it was trying to resolve the issue but warned it would be "ongoing" in 2021 - although tinned and dry food are unaffected.

It is blaming higher than usual demand for pouches after more pets were bought during lockdown.

SHOW

THE
BUNNY!

By GRACE HOOPER news@sundaysport.co.uk

SEXY Bella Thorne has revealed she likes to slide a kinky "rabbit" vibrator up her sodden vagina to bring her to a shuddering ORGASM!

In an interview about her new single, *Shake It*, musician and actress Bella revealed she's found her perfect match in the device.

"The vibrator always hits the right spot for me," she said.

"I prefer a rabbit vibrator. I call it that because they look like rabbit ears – I don't know the real term for it."

The rabbit vibrator has been around for years, with a host of brands creating their own versions.

Pansexual

Common to all of them is a G-spot-targeting shape and clitoral stimulator that often resembles bunny ears. The contraption found fame when it was featured on TV show *Sex And The City*.

Bella, who came out as pansexual in 2019, has spent much of her post-Disney career discovering her sexuality.

She's found joy in being adventurous, whether with sex toys or other props.

She said: "I explore my sexuality by getting out

there and not being afraid to try new things.

"I like to find out what I like and do not like when it comes to sex and self-pleasure."

Her song *Shake It* is all about letting loose with someone you love.

She added: "It genuinely let me express myself and share with the public what I like about sexuality, skin, lingerie and touching."

One fan said: "The idea of Bella Thorne lying back with a good hard length of vibrating rubbercock stuffed into her tight minge is enough to make me yank the end clean off."

CARTOON SKUNK CUT FROM FILM AFTER 'RAPE' SHOCKER

RANDY French skunk Pepe Le Pew has been BINNED!

The famed Looney Tunes character has been removed from upcoming film *Space Jam 2*.

The amorous stinker, who appeared in the first *Space Jam* film in 1997, was due to appear in one scene – which has since been left on the cutting room floor.

The removal comes amid controversy after New York Times columnist Charles M. Blow said in an article that Le Pew – who is a cartoon skunk – "normalized rape culture".

It's believed that Pepe will not return in any Warner Bros productions in light of him offending "woke" types.

As well as the New York Times nonsense, writer Amber E. George, in her essay "Pride or Prejudice?

Exploring Issues of Queerness, Speciesism, and Disability in Warner Bros. Looney Tunes, characterized Pepe's actions towards Penelope Pussycat as "sexual harassment, stalking and abuse".

Bumbling Biden forgets name of US defence chief

CONCERNS about Joe Biden are growing after he forgot the name of one of this cabinet members.

The US President (above) seemed to forget defence secretary Lloyd Austin's name at a White House event – calling the Pentagon chief “the guy who runs that outfit over there”.

Biden, 78, was announcing the nomination of two female generals.

“And I want to thank the sec – the, the, ah former general. I keep calling him general, but my, my – the guy who runs that outfit over there,” Biden said. Earlier at the event, Biden mentioned the defence chief by name, while appearing to read from a teleprompter.

In December, Biden mispronounced the name of his nominee for the Department of Health and Human Services, Xavier Becerra, before correcting himself with a different mispronunciation.

Meteorite is first UK find in 30 years

ROCKY fragments have been recovered from the fireball that lit up our sky just over a week ago.

They came down in the Winchcombe area of Gloucestershire.

It's 30 years since meteorite material was last retrieved in the UK.

The rare rock type is carbonaceous chondrite – a stony material that has unaltered chemistry from the formation of our Solar System 4.6 billion years ago.

CLOTHING FIRM SHOCKS WITH ORGY AD PICS...

SUITS YOU, SIR!

By GRACE HOOPER news@sundaysport.co.uk

A SEXY ad campaign for a company that makes suits has been accused of encouraging ORGIES.

Suit Supply launched their new campaign featuring several images depicting nearly-nude trysts – with men and women's hands groping and their tongues intertwining.

Each show just one man dressed in a suit making out sloppily with a woman, while other half-naked men and women kiss and touch each other around him.

On Twitter, one woman said: “If this Suit Supply ad my husband just received is any indication, things are about to get wild.”

Stoked

“I knew it! Orgies are going to be the next big thing,” joked another, while a third quipped: “I guess she was super stoked to see a dude not in sweatpants?”

Another commenter remarked: “Is this how straight people make out???”

And one confused commenter asked: “That's an ad for suits?”

Several were especially horrified by the touchy-feeliness of the ad, given that the world is still in the midst of a deadly pandemic.

“This ad gave me covid,” wrote one.

WELL HAPPY WITH WELSH: Ant and Dec

I'M A CELEB TO GO BACK DOWN UNDER

I'm A Celebrity ... Get Me Out Of Here! will return to Australia this year if travel is possible, the chief of ITV has said, despite the success of the show in Wales.

Producers abandoned plans to head to Australia in 2020 because of the coronavirus pandemic.

Last year's series, which was a hit with viewers, took place at Gwrych Castle, near Abergelle in North Wales, instead.

The channel's chief executive Dame Carolyn McCall said the show, hosted by Ant and Dec, is “meant to be in Australia”.

She said the castle format, won by

podcast host Giovanna Fletcher, had been a “tremendous success”.

But she said: “If we can go back to Australia – and this show is meant to be in Australia – then that's what we'll do.”

Plan

Speaking as ITV published its group annual results, she added: “We have a very good plan if not, as we have already done it once (in the castle).”

Ant McPartlin recently said he would be “very happy” for *I'm A Celeb...* to return to Wales.

He and co-host Declan Donnelly

were “welcomed” there, he said, telling Digital Spy: “There were cardboard cutouts of me and Dec in the butcher's, and the local school did a tribute.”

“We'd happily go back there. We'd miss the sunshine, mind.”

Dame Carolyn also said *Love Island* will be returning in the summer, although the location of the show, usually filmed in a villa in Majorca, is still to be confirmed.

The programme, now hosted by Laura Whitmore, has been a huge hit for ITV2.

The summer series was cancelled last year due to COVID-19.

Georgie Shore Holly's dig at 'bullying' cast

HOLLY Hagan, who rose to fame on *Georgie Shore* back in 2011, claims she was "bullied" by her cast members on the MTV show, telling fans it was "horrendous".

The TV star (above), 28, spoke out about "making excuses" for her former co-stars' behaviour 10 years ago, after one fan quizzed her during an Instagram Q&A.

"How did you forgive GS cast after watching back them bullying you [on the] first season?" they wrote to the star.

Holly replied: "Tbh I do make excuses for my cast members a lot because I don't wanna be dramatic or attention seeking but if you watch series one the bullying and exclusion is horrendous."

"I don't know who how anyone could do that to an 18 year old girl. I forgive but I don't forget."

Asked whether it is acceptable to "bully a bully", Holly replied: "No because you're just as bad as them."

New nonce law to target sports and priesthood

SPORTS coaches and priests who have sex with, or abuse 16 and 17-year-olds in their care, are to face prosecution under a government move to close a controversial legal loophole.

New crime legislation being introduced in the Commons includes a law to prevent adults in positions of trust from engaging in sexual relationships with young people under 18.

The new law will bring sports coaches and religious leaders into line with teachers and doctors and follows cases of sexual predators exploiting their influence on young people and making them vulnerable to abuse.

Welcoming the new law, Peter Wanless of the NSPCC, said: "We are delighted that after relentless campaigning, the government has finally listened to our calls and agreed to close this legal loophole."

R.E. TEACHER BONKED THE POPE!

HEARING: Andrew Jones has denied all charges of misconduct against him

Hearing told of Sir's simulated sex act with cardboard cut-out of Pontiff

A SHOCKED deputy head discovered a video of his school's R.E. teacher simulating sex with a cardboard cut-out of the Pope – and pupils waving around fake penises.

Andrew Jones, 36, was filmed in a classroom as he grabbed the lifesize cut-out of the Pope for a viral "Harlem Shake" video.

And a disciplinary hearing was told how rumours of the video went like wildfire around the school.

By ROY DURRIDGE
news@sundaysport.co.uk

Deputy Head Shane Mock said: "I was shown the video by another member of staff as there was a lot of talk about it around the school."

"The video contained imagery of sexual action by him and his pupils. It was a shocking video."

Mr Mock told how pupils in the video also waved fake penises usually used in sexual education classes.

He added: "Jones received a warning and was suspended for his conduct."

The hearing was told the clip uploaded to YouTube also showed learners in his class "simulating sexual actions" at his comprehensive school.

Bitch

Mr Mock said: "Jones was responsible for leading the curriculum for years 7-13 and managing other teachers in the department. He was a hard-working member of staff. He had also been nominated for the Welsh Teacher of the Year awards in 2012."

The hearing was told Jones had a Facebook profile used for work called "Jonesy's Religious Studies" – but used his private account to message pupils.

In the messages he allegedly invited one pupil to his house for lunch and referred to the school's previous headteacher as a "bitch".

Mr Mock said: "He would have known that Facebook should not be used for private messaging."

"All teachers were trained and advised not to accept friend requests from pupils and past pupils."

"Pupil A came to me to discuss the fact that Jones had been sending messages on Facebook

Messenger. This came from his personal Facebook account."

"Pupil A mentioned that he felt pressured by Jones. His friends were all telling him not to respond but he said he felt guilty about not responding."

"Pupil A's father was not concerned about the content of the messages, but the sheer volume of messages was concerning."

Mr Mock said that the messages to the lad were "inappropriate" and "overfamiliar".

The hearing was told the police investigated the incident but found it didn't cross the prosecution threshold.

Ashanti-Jade Walton, presenting the case, earlier said: "A video was posted on YouTube of Jones and his class doing the Harlem Shake."

Concerns

"The video raised concerns as it contained sexualised action by learners. Jones was seen in the video with a cardboard cut-out of the Pope."

The hearing was told Jones was employed by Caldicot Comprehensive School in Caldicot, Gwent, as the head of religious education and started in December 2007.

Miss Walton said: "Over the course of his employment, a number of concerns came to light. There was clearly a breach of professional boundaries."

Jones, who was not present at the remote hearing, has denied unacceptable professional conduct and the Education Workforce Council hearing in Cardiff continues.

Crooks bury boats for migrants

DINGHIES have been deflated and buried on beaches along the French coast for use in migrant crossings, police believe.

An alleged criminal network is thought to be buying the boats online and then hiding them near Calais ready for use.

Each boat could carry between 10 and 15 migrants, who would

be charged £2,500 each to get to the UK, officers believe.

A number of people have been arrested in the Yvelines region of France, west of Paris, and eight have been charged following an investigation into the network, it was announced yesterday.

On Monday, at least 115 people succeeded in reaching UK shores.

Putin badasses spread fake news about vaccines

VLADIMIR Putin's propaganda agents have been sharing false and misleading information to damage confidence in COVID-19 vaccines from Pfizer and other drugmakers.

Four online publications that spread disinformation about vaccines have been linked to Russian intelligence services.

A report, citing an unnamed US official with the State Department's Global Engagement Center, said the sites do not have large audiences, but their false claims could be picked up by other international media outlets.

The sites – identified as New Eastern Outlook, Oriental Review, News Front and Rebel Inside – emphasise the vaccines' risk of side effects, question their efficacy and claim the process for approving Pfizer's vaccine was rushed.

Under Putin (*above*), Russia has widely used the internet to try to undermine the West.

Floating headless body pulled from Brooklyn harbour

A HEADLESS body missing both arms and one leg was pulled out of a busy harbour after being spotted floating in the water by a jogger.

Police say the alarm was raised after the unidentified male's body was seen by the jogger while running on a pedestrian path in Brooklyn, New York.

The NYPD Harbor Unit retrieved the body and discovered it was missing the head and limbs.

The body was taken to the Office of the City Medical Examiner.

The incident comes less than a year after the decapitated and dismembered body of a tech executive was found in a luxury apartment in the city.

The torso of Fahim Saleh was found next to a power saw and bags of body parts in a Manhattan apartment last July.

Arrested cop 'ordered hit' on 2 people

A COP has been accused of ordering a hitman to kill two people.

Officer Bryan Riser, 36, is charged with murder over the deaths in Texas of a 61-year-old man and a 31-year-old woman, Dallas police chief Eddie Garcia said.

The body of Liza Saenz, which had multiple gunshot wounds, was found in a river on March 10, 2017.

The family of the second victim, Albert Douglas, reported him missing the previous month. His remains were never found.

Garcia called the two killings unconnected and said that while authorities had no motive, they were both linked to Riser's "off-duty" life.

He said investigators would be examining Riser's arrest record and "looking at the activity he conducted as a police officer".

Riser faces the death penalty if found guilty.

Mad turkey smashed way into dentist's

A MANAGER of a dental surgery got the scare of her life when a huge wild TURKEY crashed through double paned windows and wreaked havoc in the patient waiting room.

Donna McDonald, the office manager at Gregory Hailey DDS in Fair Oaks, Sacramento, California, was terrified when she first heard the noise.

"I thought it might be an earthquake," she said.

McDonald, who was the only person in the office at the time, found the agitated turkey clawing at the walls and called in animal control.

Greg Grimm, treasurer of Gold Country Wildlife Rescue, said the turkey "may have seen its own reflection in the window and attacked it, confusing it for a romantic rival amid the mating season for the birds".

JAIL GIRL HID GUN UP HER PRIVATES

FANNY FIND: Wilhite (below) had tiny gun (above) hidden inside her vag at jail (top)

A WOMAN arrested on drug charges had a tiny gun hidden inside her FANNY.

The four-inch .22 calibre firearm – fully loaded with five rounds – was discovered by personnel at the Boone County Jail in Missouri.

The weapon was found among the personal belongings of Amy Wilhite, who was booked into the facility on Valentine's Day.

The 39-year-old has been charged with possession of methamphetamine, resisting arrest, unlawful possession of a firearm and possession of drug paraphernalia.

She was also booked for failing to appear in court in connection with prior arrests for domestic assault and drunk driving.

During an initial search of Wilhite, cops failed to locate the 4.6 ounce North American Arms revolver.

A "thorough pat search" at the jail was followed by a strip search before Wilhite joined other detainees

in the prison's general population, according to cops.

It's believed Wilhite had the gun concealed in her vagina on entering the jail, and that she "removed the firearm

from her body and concealed it within her personal belongings".

The discovery of the gun resulted in Wilhite being charged with another crime for allegedly introducing a weapon into a correctional facility.

The recovered firearm retails for around £200.

Snorkeler makes £1.1m drugs find

A SNORKELER could be in deep trouble after he came across 25 bricks of cocaine worth over £1.1million.

The drugs were contained inside a floating bale and were found as the snorkeler looked at sea life off the Florida Keys

He bravely alerted authorities to the find. Chief Border Patrol Agent Thomas Martin wrote on Twitter: "The snorkeler noticed a large black bundle wrapped in tape & contacted local authorities."

Border Patrol agents responded and retrieved the drugs.

The snorkeler has been offered police protection to guard against reprisals by narco gangs.

COPS SNAP UP CROC IN BUST

COPS were met by a four-foot live crocodile during a drugs bust at a waterfront house.

Heroin, meth and cocaine were also allegedly found in the residence of suspect Donny Askar, 44.

The reptile had been "submerged in a poorly secured tank with rancid water," cops said.

Wildlife officials arrived at the scene to secure the crocodile as Askar was charged with drug possession and animal cruelty.

A police source in Oxnard, California, said: "This could be sinister. You hear about these drugs folks feeding enemies to crocs, don't you?"

As Amazon change dodgy icon, here are some other Hitler-alikes...

NAZI LEADER: Der Fuhrer

THEY may also be in the world-domination game but Amazon are a bit wary of being linked to HITLER!

The online shopping colossus quickly changed its main shopping-app logo, after commentators said the recent redesign made it look like the controversial German Fuhrer.

Launched in January, the icon depicts a strip of blue tape over an Amazon "smile" logo.

But some observers said it resembled a toothbrush moustache, associated with the Nazi dictator.

Following customer feedback, Amazon has now changed the design to a folded blue tape.

The first icon had been trialled in a few countries before Amazon made the change.

Vicky Bullen, chief executive of branding agency Coley Porter Bell, said: "The visualisation of the parcel tape on the original logo will be immediately associated as a Hitleresque

moustache, as that shape is forever embedded in our [subconscious] brains as such – not the best association for a brand that wants to create delight on the doorstep."

The app logo – which appears on tablets and smartphones – previously showed a graphic of a shopping trolley.

But Amazon's logo is not the first image to remind people of Herr Hitler, who took his own life in 1945.

Rexha quickly blocked the man's feed, before ranting "I am so sorry, that is disgusting".

"It's nasty that he came on my live chat and just showed us his penis."

"Honestly, how can you come on my live chat when there are kids and people and showing us your f***ing d***?"

Rexha then asked her fans to identify the man's Instagram username and pledged to have him blocked from the platform.

She added, "Plus, you should be ashamed of yourself because you have a small thingy, so let's just move on."

"That guy was crazy, sick in the head. I'm traumatised. What the hell was that? Honestly, I'm traumatised."

HOLLYWOOD actress Cameron Diaz has broken her nose four times while SURFING

Eye, eye... I can see you've jizzed on me!

A MAN is behind bars after authorities say he masturbated in an optician's and SPUNKED on an employee.

Cops responded to a call to the eye-care facility and spoke with the alleged victim.

The person reportedly stated Julian Rowland had been sweaty and shaking his leg.

The employee felt wetness on her pants leg and asked if Rowland had vomited.

She then realised Rowland had been masturbating and had shot his load on her.

Police say Rowland admitted to what had occurred at the business in Osage Beach, Missouri.

Rowland, 29, is already on bail awaiting trial for two counts of statutory sodomy.

He is now being held on remand.

AS HOLLYWOOD LESBIAN JODIE FOSTER KISSES HER WIFE ON THE GOLDEN GLOBES, HERE'S SOME...

LOVELY LADIES LOCKING LIPS!

SNOG AND SNUG... Jodie, Alexandra and pet dog

THE first big awards ceremony of 2021, the Golden Globes, was little more than a damp squib.

Thanks to the Chinese Death Plague, we could not enjoy the sight of hundreds of millionaire actors shovelling posh grub into their faces before clambering on stage to berate us all about global bastard warming.

This year, the whole affair was done via the ubiquitous video conferencing system Zoom.

But at least we got to see ladies kissing on the lips.

Jodie Foster and her wife celebrated with a kiss as the veteran actress picked up her Golden Globe award from the comfort of their home.

Jodie and Alexandra Hedison, who

By **JAYNE FERGUSON**

news@sundaysport.co.uk

tied the knot in 2014, took their cosy awards night very seriously by swapping glitzy gowns for pyjamas and snuggling up on the sofa with their pet dog.

Jodie, 58, was honoured for her role as a tenacious lawyer in *The Mauritanian*, picking up the Best Supporting Actress prize.

And while Jodie and Mrs Foster's display might not have been quite as hot as the lesbo orgy piss scene in *Strap-On Girls Get Wet #7*, it was still jolly nice.

Because we ALL like to see ladies kissing.

And here are some more...

HUNT FOR A COP KILLER

'Gonna kill as many of them devils as I can until I can't kill no more'

DELUDED: Clemmons believed he was Jesus when he shot cops

MAURICE Clemmons had a long history of convictions and trouble with the law, stretching back to when he was just 16.

In 1989, he was convicted in the state of Arkansas of aggravated robbery and ordered to serve consecutive sentences totalling 108 years.

And there, in jail, Clemmons's story would have ended if not for a commutation of his sentence by Arkansas Governor Mike Huckabee in 2000.

Clemmons had applied for clemency

By **KOURTNEY KENNEDY**
news@sundaysport.co.uk

after serving just 10 years of his sentence, saying he had "learned through the school of hard knocks to appreciate and respect the rights of others".

Clemency

The governor's board recommended clemency unanimously, making Clemmons eligible for parole. It was granted that same year.

He had more scrapes with the law almost immediately, but no charges resulted.

Then he was granted a parole transfer in 2004 and moved to Washington, where he soon had a house, a child and a landscaping business.

He had no other troubles with the law until May 9, 2009, when police responded to a domestic violence call.

Clemmons was arrested for throwing rocks and breaking windows around his neighbourhood and then for assaulting a sheriff.

He was bailed out of jail the next day – only to sexually assault a 12-year-old relative the next night.

He was arrested in Washington on the rape charge on July 1, 2009.

He stayed in jail until July 24, when Arkansas mysteriously dropped its warrant, allowing Clemmons to be bailed out again.

Washington police, anxious to get him back behind bars, issued a special warrant against him on August 19, and he was arrested within a day whilst out walking his dog.

He served 40 days on that warrant and then became eligible for bail on the assault and child-rape charges. Then Clemmons dropped out of sight.

If police had realised what Clemmons had been spouting in taped jailhouse phone calls, they would have known exactly how dangerous and delusional he was.

He had begun to think of himself as Jesus Christ or God.

His taped conversations took an ominous turn. He believed that the devil, in the form of the criminal justice system, was out to keep him from his righteous path.

"Next time a police pull me over and I ain't did nothing, I'm gonna shoot him dead in the face, I swear, it bro," said Clemmons on secret jail recordings.

"The strategy is gonna go kill as many of them devils as I can until I can't kill no more. That's the strategy."

Driving

He said he wanted the families of police officers to cry and said he was "going to give them what they've been looking for – a dangerous n****r".

After making bail for the last time, he resolved to act on those wishes.

On that morning of November 29, 2009, he talked an ex-con friend into driving him around.

They noticed several police cars at the Forza Coffee Company and so Clemmons ordered the driver to turn around and park nearby.

He got out and walked

MURDERED IN THE LINE OF DUTY

into the coffee shop, a common place for officers in Lakewood and neighbouring areas to meet.

He walked straight over to the officers' table, produced a 9mm Glock pistol, and without a word shot Griswold in the back of her head, killing her instantly.

Clemmons then turned and shot Renning in

SCENE OF CRIME: Coffee shop where cops were killed

IN FRIDAY'S

ON November 29, 2009, four officers of the Lakewood Police Department in the U.S. state of Washington were shot and killed. The shooter, Maurice Clemmons, already had a long history of violence, jailtime, and mental instability – but was still somehow out on bail for child rape and assault. That morning, the four local cops – Sgt Mark Renninger, Officer Tina Griswold, Officer Ronald ‘Ronnie’ Owens and Officer Greg Richards – met in a coffee shop just outside the city. Clemmons walked in, walked up to a table where three of the officers were sitting and, without warning, shot Griswold and Renninger in the head. After a struggle, he shot Owens in the head as well. Richards, at the counter ordering coffee, shot Clemmons in the torso but he grabbed the pistol and shot Richards. All four officers died at the scene as Clemmons fled to a waiting truck. At that moment, the massive manhunt had begun...

DESPERATE: Police stop an innocent man in their hunt for on-the-run killer

FALSE LEAD: Police search house fugitive was believed to be hiding inside

HUNT ON THE RUN

TY: Greg Richards, 42, Tina Griswold, 40, Ronald Owens, 37, and Sgt Mark Renninger, 39

the right side of the head, instantly killing him.

The Glock apparently malfunctioned, giving Owens time to rush toward Clemmons and attempt to subdue him.

But Clemmons then managed to produce his second pistol, a .38 revolver. He shot Owens in the head, killing him. Then Richards was

taken out, too, before Clemmons fled the scene. A massive manhunt began – the largest fugitive search in the state's history.

Abandoned

Clemmons stayed on the move, going first to his half-brother's house and then to the homes of various relatives.

Meanwhile, police

were receiving tips from some of Clemmons's relatives and friends.

Early next morning, December 1, Seattle police officer Benjamin Kelly was investigating a report of a stolen car.

He found the car running and apparently abandoned in a quiet residential street in South Seattle.

Kelly was calling

dispatch when he saw a man in a hoodie walking toward him.

He became suspicious when he saw the man was not avoiding him but coming right at him.

Kelly jumped out of his patrol car and faced the man, who he had immediately recognised as Clemmons.

He shouted at him to show his hands, and

Clemmons fumbled for a gun in his pocket.

But the trigger guard was stuck.

Kelly fired seven shots, running after Clemmons as he tried to run away.

Minutes later, Clemmons was found nearby, sprawled on a concrete path, hit by four bullets.

He died from his injuries shortly after.

CHEF CHOPPED PAL TO BITS LIKE A JOINT OF MEAT

PAEDO RANT: Pham slammed cops after killing victim (bottom)

Drug killer left remains in bathroom as he'd missed the binmen

A FORMER chef who dismembered a man in his bathroom didn't get rid of the evidence because he missed the binmen coming round, a trial has heard.

After admitting the horror killing, Khanh Xuan Pham ranted to cops about their 'protection' of paedophiles.

"Why is there the protection of police for these maggots," Pham said.

"Give me some paedophiles to kill, f*** me dead, mate."

The January 2019 interview with officers came hours after his arrest for the alleged murder of Goran Stefanovic.

The 40-year-old's decomposing remains were discovered in the bathroom of Pham's studio apartment on January 12 by the killer's mother, who alerted police.

Stabbed

Pham, 40, is facing a New South Wales Supreme Court murder trial after prosecutors did not accept his plea of guilty to manslaughter.

Agreed facts state that on January 8, Pham stabbed his victim once in the back inside the unit before following his victim to the building's entrance and stabbing the collapsed man in the heart.

Mr Stefanovic had met up with Pham to

buy crystal meth and was sitting on the killer's bed when he was stabbed.

Pham said he felt "nothing" as he stabbed Mr Stefanovic and later dismembered him.

He also claimed his victim would have "done it to me so I do it to him – that's how it felt".

The flesh – placed in bags in the bathroom – wasn't removed from his flat as "I missed bin night", Pham said.

"I was a chef. It's the same, all the joints, the meat," he said.

"We're all made the same – animals and people."

Asked if he enjoyed cutting off the dead man's ear with a sharp knife, Pham began ranting that 'rapist pricks' will never change and that police should allow paedophiles to be beaten up by members of the public.

The trial continues.

Top cop 'a serial arsonist'

A POLICE chief targeted his foes by setting fire to their homes and vehicles in a string of arson.

David Crawford, the top cop in Laurel, Maryland, from 2006 until 2010, was arrested over 12 fires intentionally started at homes, vehicles and garages of his perceived rivals between 2011 and November 2020.

The identity of the alleged serial arsonist – who used gallon jugs of petrol and a stick wrapped in cloth to start the fires – had stumped investigators until last November, when a link between the victims led detectives to Crawford, authorities said.

Crawford faces multiple attempted murder counts.

The babe told us her favourite bedroom aid is her pocket rocket vibrator, because it never fails to hit the spot.

And lovely Candice, who's from Cheshunt, Herts, said the vibrating toy is small enough to take with her wherever she goes.

Orgasm

The 34D babe said: "My best sex toy would have to be my pocket rocket. It's really tiny, so fits in my handbag."

"It vibrates like crazy and does the trick in seconds, so I can make myself cum wherever I am."

"It's especially useful as, when I'm working, it's usually away from home."

"Playing with myself in hotels is very sexy, but it's just as good to have a screaming orgasm at home!"

WHAT'S ANNOYING HIM THIS WEEK?

March 2021

Sun	Mon	Tue	Wed	Thu	Fri	Sat

14	15	16	17	18	19	20
21	22	23	24	25	26	27
28	29	30	31			

IF the month of March was to have a baptism ceremony for the modern age, it should be renamed "Bastard".

It's a month so tediously long, it stretches time itself.

Where are we today – the day your Midweek Sport first hits your newsagent?

We're at Wednesday, March 10 – the 10th! – and, be honest, it already feels like your last payday was a month ago.

The good news?

Well, there isn't any.

Literally none.

Just another three ENTIRE weeks until the last day of the month, which for most of us heralds our bank accounts looking ravishing in black instead of drowning in red for a day or two.

Why do they do this to us? Really?

Nasty

Why have a teeny tiny month like February, with its blissfully compact 28 days making your meagre monies seem to stretch further, only to then follow it up with the utter wanker that is 31-day March?

The Romans – who we're expected to thank, on our knees, for our current useless calendar – reckoned the Ides of March made for a decent deadline date for debts to be settled.

It's all got something or other to do with the moon cycle and how they worked things out back then.

But it also has nasty connotations that have carried on from way back when to today.

March's Ides is

traditionally the 15th – something to do with the moon again – but it was also the chosen date for the assassination of a certain Julius Caesar in 44BC.

He got stabbed 23 times (more than the number of days left in this bastard month of March) by fellow senators after seemingly upsetting one too many political applectarts.

And Her Majesty's Revenue & Customs has carried on with the same idea, as – like always – the new financial year weirdly starts on April 1.

You can hear them rubbing their clammy hands on the lap of their cheap shiny suits already, can't you?

Deaf ears activated. Hearts hardened. Pencils deftly sharpened. And ominous brown envelopes at the ready.

Even the bloody star signs for March are

rubbish. It's mainly Pisces for the first two-thirds – meaning you're a fish out of water.

Or then it moves into Aries, sign of the ram – which, let's face it, is a bit like calling someone a shit-smeared sheep while sniggering behind the back of your hand.

So, March, then. A month to celebrate the beginning of the end of the Roman Empire.

A month when you are seemingly endlessly skint, stink of fish, and at risk of getting bummed by an eager shepherd.

And a month when the taxman gears up for another twelve months of legally persecuting people while they still wait for what feels like an eon to get paid again.

Roll on April. At least the pubs will be open.

Oh, hang on... that's May, isn't it?

Why I so hate the month of March

Woman gets pregnant by lad aged 14

A WOMAN has been arrested for sexual assault after police say she became pregnant by a 14-year-old boy.

Police received a tip about the teen having a sexual relationship with 23-year-old Brittni Gray (above).

They had a second tip from a witness who claimed they saw Gray and the boy having sexual intercourse.

Detective Rhonda Thomas said in a report: "The witness stated that the alleged offender is currently pregnant with the victim's child."

He added that medical records obtained from a local hospital confirmed Gray is up the duff.

Court documents stated that video footage was obtained showing the alleged victim and the alleged offender entering the hospital together during a recent visit.

Gray was arrested on Monday, charged with sexual assault, and is being held in the local lock-up in Paragould, Arkansas, pending a court hearing.

Top cop used officers as his firm's security

A POLICE chief who made cops work as security guards at his funeral home business has been hit with charges that could put him behind bars for decades.

Chief Robert Kugler, was charged with ordering on-duty cops to perform as police escorts for his private business while using department vehicles, authorities say.

Kugler, 59, is accused of conspiracy, official misconduct and corruption of public resources in connection with an alleged abuse of power that benefited his Kugler Funeral Home Saddle Brook, New Jersey.

Kugler ordered cops to escort funeral processions during their shifts, and did not reimburse the town for the services.

If convicted, Kugler could face 25 years in state prison.

MULLAHS IN A FLAP OVER PORN STAR RAP

WHAT'S NOT TO LIKE? Alexis topless and (left) in pop star vid

Tehran fury as adult star Alexis appears in Iranian vid

DAREN'T LOOK: Ali Khamenei

A VIDEO by an Iranian pop singer featuring a PORN STAR in a revealing outfit has sparked an outcry in the hardline Islamic republic.

Alexis Texas begins the video wearing conservative clothing including a headscarf – then takes it off to show off a revealing black costume as she dances with Iranian pop star Sasy.

While there is no explicit content in the video, hardliners fear young people will easily be able to search out her earlier work online.

Sasy – real name Sasan Yafteh – left Iran in 2009 and is now based in California, but he is still popular among teenagers in Iran.

The 32-year-old rapper's videos

By SUZIE SHELTON
news@sundaysport.co.uk

are not authorised in Iran, although many of them are nonetheless shared via social media such as Instagram and WhatsApp.

Although some have called for tougher online censorship, others argue that restrictions are having the opposite effect – because so many people are familiar with evading them through VPNs and anti-filtering software.

The Iranian government has long blocked access to many websites and social media platforms, from YouTube and Facebook to Twitter and Telegram.

But the excerpt from the video called 'Tehran Tokyo' was published

on an app called Rubika, which has now come under investigation by officials, reports say.

Broadcasting regulator SATRA banned the clip and sued Rubika for publishing the clip online.

It comes after many Iranians criticised the app for distributing the video, because of its perceived negative impact on young people.

Hardliners in the government, backed by Supreme Leader Ali Khamenei, have long viewed social messaging and media services as part of 'soft war' by the West against the Islamic republic.

Sasy's work previously came under scrutiny in 2019 when a video of schoolchildren dancing to one of his songs was described as 'disturbing' by an education minister.

One member of parliament called for the schoolchildren's teachers to be fired and pressured government officials to intervene, according to a human rights group.

Alexis, 35, is famed for her full-on, see-it-going-in porn movies and enjoys sizzling ANAL.

She has also made splash-splash WATERSPORTS movies.

WIFE WORRIED SPUNK RUINS DIET PLANS!

A WORRIED dieter wrote to an agony aunt concerned she could not lose weight because she was swallowing too much of her husband's SPUNK!

The women contacted Dr Angela Brokmann, resident agony aunt at Ireland's popular *Sunday World*

newspaper with her query. The woman wrote: "Dear Angela, Ten days ago I (39) started a diet. My aim is to lose one stone, but I'm not making much progress. I only lost two pounds so far, and my best friend suggested that my sex life might be to blame.

"I give my husband oral sex once or twice a week, and my friend pointed out that it means I'm taking in calories that are unaccounted for in my diet plan.

"My husband says that's nonsense, but of course he'd say that. What do you think

– can oral sex really ruin a diet?"

The level-headed medic had some words of comfort for the spunk-guzzling wife.

Dr Angela wrote: "No. Oral sex won't ruin your weight-loss efforts, on the contrary. You only take in around 10 calories a session,

but at the same time you burn 10 times more calories than you consume. So oral sex – the same as any kind of sexual activity – will not ruin your diet, but will help you to lose weight.

"If you are worried about the 10 calories, put a condom on your husband."

THE WORLD FAMOUS AGONY Page

I LIVE in a semi which backs on to another one occupied by a very attractive young widow in her 30s.

I went round there one day to ask if she would mind me cutting the hedge between our houses.

After I'd finished, she made me a coffee and we sat in her kitchen chatting. Then, without warning, she stripped off and asked me if I'd like to shag her!

I couldn't believe my luck and I was soon deep inside the blonde beauty – and she was one hell of a ride.

She encouraged me to fill all her holes and enjoyed three climaxes during our 50-minute session while I shot my load all over her face and boobs.

Since then I've been back for more brilliant nookie. But what do I do if the wife finds out?

NL, Leeds

I HOPE she DOES find out, you cheat.

I'm in my late 30s and I have to admit that I have never been that successful with the ladies.

It's not that I haven't got anything useful in my trousers – in fact I've got a pretty impressive seven-incher – it's more to do with my unusual looks.

I have a really big nose – think Barry Manilow and then add a couple of extra inches – and most fit women run a mile when I come on to them.

But I have found a few women who are strangely attracted to my big hooter and I use it to the best of my ability by bonking babes with my "nasal knob".

I do get some satisfaction from this, but now I'm starting to worry there may be some health risks involved with this.

Should I use some kind of a nose condom?

MB. Devon

I THINK the only problem you'll have is a permanent whiff of minge in your nostrils.

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week BEXIE WILLIAMS has been reading through your letters. And here's her advice for you...

Scheming office girl's got me by the balls!

Dear Bexie,

I'M a 43-year-old married man with my own repair business.

A few months ago I advertised for someone to answer the phone and take messages at my small office in the centre of town.

A girl aged 19 applied – she was bright and seemed perfect for the job so I took her on and she was a great help from the start.

But one day a few months ago I got into work to find her sobbing her little heart out.

She's had a big bust-up with her parents and they'd thrown her out! I felt sorry for her and consoled her as much as I could, but she was upset.

Kissed

Now I also own a couple of flats and one had been empty for a few weeks, after the previous tenants left to work abroad.

So I took her round to see it and told her that she could stay there until she got herself sorted out – either with her own place or if she ended up building bridges with her mum and dad and moved back into the family home.

Well, she was over the moon about my generous offer and I felt good about being able to help her out.

Over the following days I also helped her furnish the flat and soon she'd made it into a cosy little home for herself.

One evening she invited me for a meal, to thank me for everything, and when I

arrived after work she was wearing the shortest skirt I'd ever seen.

After our meal we sat on the sofa – then she suddenly kissed me full-on!

She said she had wanted sex with me the first time she saw me.

I must say I found her very attractive and succumbed to her advances.

She stripped naked and then unzipped me and pulled out my stiff cock.

She massaged it for a while before guiding me into her moist love-hole.

I've always been a stayer and I managed to keep going for long enough to give her three orgasms before I shot my load.

Shortly after, I left to drive home. But when I reached my house my wife handed me a piece of paper with a phone number on it and told me to ring urgently.

I did, and it was my young office girl on the other end, aggressively saying

she would not be coming to work the following day.

I asked her why the hell not – and she said she just didn't feel like it!

And since then she's turned up to work only a couple of times.

I can't do anything about it because she has threatened to tell the wife about our night of passion.

And she reckons she has our whole sordid night of lust recorded on a small webcam that she set up in the front room of the flat I'm letting her still live in – rent bloody free!

What can I do about this scheming little tart?

FW, Hampshire

Bexie says...

THREATEN to report her to the police for blackmail. And sack her. Immediately.

Dear Bexie,

A PAL of mine recently moved out of his home, leaving his missus a wreck.

All the wives in our circle rallied round and gave her what comfort they could while, no doubt, telling her all men are bastards.

One night she asked me if I'd go round and help her sort out her finances, me being an accountant.

I found her in a hell of a state, surrounded by paperwork and bills.

She was dressed in a housecoat and looked as if she'd been crying.

Once the paperwork was done, she sat beside me and stroked my thigh.

I've always fancied her but I was determined not to be tempted by her firm breasts swinging free inside her housecoat.

But I did not get the chance to resist as she pushed me back and pressed her lips to mine.

I responded and slipped her the tongue, as she grabbed my cock.

Then she begged me to suck on her tits and she was soon gagging for it.

So I flipped her on her front and shafted her from behind.

Now she's threatening to tell my wife – and ruin another marriage.

What should I do?

PR, Berks

Bexie says...

YOU got your sums wrong and may have to pay the price with a divorce.

I crave threesome with blonde & brunette pals

Dear Bexie,

I PULLED a cracking bit of skirt at a mate's 30th birthday party.

She was about 25, with long blonde hair, and her hot bod looked awesome in a skin-tight red dress.

We chatted at the bar for a while and after a couple of shots and glasses of fizz she said she was up for a night of shagging at her place!

In the back of the taxi, she was talking dirty to me and groping my cock through my strides.

So by the time we got to her flat, we were both ready for it. She lived with a friend, who was still sat up in the lounge watching telly.

But my girl told me not to worry as she threw me down on a couch, stripped off and got down on her hands and knees to give me an expert blowjob.

Screaming

I leaned back to enjoy the gobble as her brunette mate watched us at it while pulling her dressing gown open and rubbing her knickerless pussy.

After almost shooting my load twice, I gave her a clit a good licking before I banged her hard from behind until she was screaming with delight.

Meanwhile, her flatmate was ramming three fingers into her dripping hole while enjoying the floor show.

After I finally climaxed all over the blonde's arse, I got dressed and got a taxi home in the early hours.

Now I can't help thinking about a threesome with the pair of them. Is this normal?

TB, Manchester

Bexie says...

YES – you are still feeling unfulfilled sexually because you didn't get to dip your wick in the brunette.

I HAVE to confess I have a love of threesomes – but I dream of having moresomes!

With two guys and another girl is my ideal set up, then it's literally the best of both worlds.

When it comes to a menage-a-trios, my favourite position is the guy on his back and one girl riding him and me sat on his face.

It's incredibly hot because you can get pleased down below while kissing a woman and fondling her breasts, turning you both on.

Fulfilling

The first time I had a threesome that's all we did for ages – with us girls swapping positions – and I thought I'd died and gone to heaven.

But there are also so many other positions with three people that are also lush, which is why it's such fun.

I once had a three-way with two guys – I'm a huge fan of being taken doggy-style while sucking the other guy's cock.

It feels so slutty and like I'm in a porn film!

But what I want is a foursome – two girls and two men – and to do it in ALL the positions!

I just can't wait for lockdown to be lifted so I can get set about fulfilling my fantasy!

ORNY

KINKY Aria Giovanni was born in LA but, as you can guess from her name, she has Italian roots. Curvy Aria said she enjoys rough sex and likes getting spanked. The 34FF cracker said: "I really love being submissive and for a guy to boss me about and take control - it's such a massive turn-on."

Aphrodisiac

"Power is such a strong aphrodisiac. I love being knelt on the floor looking up into the eyes of a strong, sexy man."

"I love being spanked, having my hair pulled and being bitten lightly."

"It's so animalistic and it's a real adrenaline rush - I love to experience all sensations!"

SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDS FOR £25 (was £75)

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

MIA MALKOVA

TRAFFIC warden Phil Norman would happily turn a blind eye if saucy Mia Malkova parked on double yellow lines.

Phil, 39, told us the 22-year-old 34C babe is his ideal woman and said he'd let her off a parking ticket every time – if he was lucky enough to run into her in their native Richmond-on-Thames.

He said: "In my line of work I meet gorgeous women all the time, who try to use their looks to get out of parking tickets."

"But I never pay attention, to be honest."

"But if Mia had parked her car illegally, I think I would let her leave it there!"

LINSEY DAWN MCKENZIE

WE wonder what it was about big-boobed Linsey Dawn that caught the eye of Glasgow plumber Niall Campbell.

The glamour legend, from Epsom, boasts an eye-watering pair of 34DDs and Niall, 31, told us he never gets bored of ogling them.

He said: "Linsey has got to be one of the fittest models on the planet. She's way better than all of these reality TV stars."

"It would make my day if you'd put a picture of her in the paper soon, cheers!"

DANIELLE TWEEBEEKE

THIS picture request of 28-year-old Danielle is courtesy of hotel worker Alun Cartwright, from Torquay.

Alun, 46, said he's been a fan of the *Sport* since day one and always had a soft spot for the 32C scorcher from London.

Alun emailed to ask for a pic of his favourite model, adding: "Danielle has been a big hit in the States, but not as well known over here."

"She looks like the girl next door – until she gets her kit off!"

"It would really brighten up my day if I opened the *Midweek Sport* to see a photo of Danielle."

But the beauty still wants to be sexy so she hides her hot skimpies under winter woollies.

She said: "It means I can stay sexy, even though it's brass monkeys out."

HERO:
Lemina

Super Mario looks up after Anfield shock

By JOHN ANTHONY

FULHAM'S Anfield hero Mario Lemina says beating the champions proves that the Cottagers are capable of staying up.

Scott Parker's men became the latest team to stun Liverpool with a 1-0 win. They are still in the bottom three but only on goal difference now with Newcastle, Brighton and Burnley in their sights.

Lemina says the players have added belief after a run of good performances. And he thinks they have given themselves a fighting chance of beating the drop.

Lemina said: "It depends on us and the way we play the other games. If we play like that I think we will stay up."

"We are happy. We are struggling and it is hard to be at the bottom of the league, but we still believe in our quality and we showed we can play against a big opponent and we showed good character. It is three good points for us."

"Honestly I am not going to lie, I was scared because they need to win some games."

"But I was so confident in my team. We have showed in all the games we have played that we play good football and deserve to be higher in the league."

It doesn't get much easier for Fulham with Manchester City waiting at the weekend.

Pep's lads are coming off their derby defeat

BIG BOOST: Scott Parker

so that will be a real challenge. They then face Leeds, Aston Villa and Wolves.

Lemina is confident of picking up more points.

He added: "We are going to fight until the end to stay in the Premier League."

"Even if the next games are going to be hard, we are going to fight until the end."

Manager Parker agrees that Fulham have given themselves a chance but warns there's a long way left to go.

He added: "A win like Liverpool galvanises, not that we needed it or a result to give us belief or an understanding of what we can do as it's constantly been there."

"It is about us wanting to get better and keep moving in the right direction and that will not change."

We will carry on for the remainder of the season in the same vein."

FAMILIAR SIGHT: Pep may have fewer teams to batter in the Premier League in future years

18-TEAM THREAT TO PREM LEAGUE

Too many clubs in top flight says Euro boss

By PAUL THOMAS

THE Premier League must be cut to 18 teams to make more room for European matches.

That's the view of European Club Association chief Andrea Agnelli.

He is backing UEFA's plan to extend the Champions League to a 36-team group stage.

The move would mean each team playing ten matches at that point rather than the current six.

It means four more mid-week dates are needed and leaves less time for Premier League matches.

It could also spell the end of Champions League teams playing in the Carabao Cup.

Agnelli is also chairman of Juventus in Serie A which has 20 teams like the Premier League and La Liga in Spain.

He wants the big countries to cut two teams from their top divisions to make space for all the extra games.

Agnelli said: "We do think that for competitive balance purposes, 20 teams in leagues are too many."

"I think there is an overall element that we could actually work out in the interests of everyone."

It's all linked to the revamp of Europe's top club competition.

At one point, it looked like their could be a Super League with teams playing every season regardless of where they finished in their domestic competition.

This may still happen with team performance over a number of seasons taken into account more than just fin-

ishing in the Premier League top four the previous year.

Agnelli says the pandemic means the football landscape has changed.

He added: "Unprecedented events can turn into normality. Some years ago it was unprecedented that not just the champions were allowed in the Champions League, and then it became normality."

Imagine

"So I wouldn't be too concerned about unprecedented events which become normality, if they are approved."

He points to the fact that the Champions League does not just have champions in it — as was the case with the European Cup.

Agnelli added: "When it once was a blasphemy to imagine not just the champions in the Champions Cup, now

it's absolutely normal, so I wouldn't be too concerned about change."

"Those who know me, know I am a fan of change — if change is necessary I am happy for change to take place."

The expansion plans could start with the 2024 competition. Agnelli said: "I would dearly hope that everything would be done within the next couple of weeks."

"There are details that need to be addressed, one being the access to the competitions — if we have four extra spots, how will these be allocated. But I would say within a couple of weeks everything should be pretty much sorted."

"That's the hope that both UEFA president Aleksander Ceferin and I have for the competitions post 2024."

Kop flops deserve sourness moans Souness

NOT HAPPY:
Rumours are
growing that
Salah will
leave Anfield

LIVERPOOL boss Jurgen Klopp needs to rattle some of his misfiring players.

That's the verdict of Anfield legend and former Kop gaffer Graeme Souness who thinks it's time to bang some heads together in the dressing room.

The tough Scot thinks there is more than just bad form behind Liverpool's shocking run.

The Reds have slumped to midtable with just three Premier League wins in 2021.

They have lost six of their past seven and have just made history with half a dozen home defeats in a row.

They are **BOTTOM** of the six-match form table.

And they could bring up another unwanted stat with their lowest finishing position since the Premier League started in 1993.

Upset

In all that time, they have never been below eighth place in the table. That's where they were at the end of this week-end's round of matches.

Souness reckons it's high time that Klopp upset some of his established players.

He said: "I would imagine that Jurgen has, if he's not reached there, is pretty close to going down the road where he's got to fall out with some players."

"Jurgen Klopp at this time has found out exactly what he's got in his dressing room. Some of them have not stood up to the challenge. When you're a big

KOP LEGEND CALLS FOR ACTION

player and you win a trophy, enjoy it for a week. Then it's about next season.

"It is unfathomable. It beggars belief how a team can go from being so good to so average."

"It's not Liverpool, it's about winning again and again."

Souness thinks Klopp is making a mistake if he's decided to just concentrate on winning the Champions League this season.

To be fair, that appears

the only way the Reds will be in the competition next year after falling so far behind the top four.

The Scot said: "Putting all your eggs in one basket for the Champions League, to qualify for the Champions League next year we have to win it this year, that is a very dangerous road to go down."

Another former Liverpool player — Danny Murphy — says his old mate Robbie Fowler is wrong to point the

finger at Mo Salah. The hitman reckons it's time to cash in on the Egyptian who hasn't seemed happy at Liverpool for a while.

Fowler said: "I truly believe that transfers now are largely about what players want, so the ball is in his court, not Liverpool's."

"If he wants to go, then he should go. If a player wants to leave, we have to accept it's in the mix."

"I'm a firm believer that if they are unhappy and want to be going, then they should be going."

Plan

Murphy thinks that letting Salah go is the worst thing Liverpool could do this summer.

He wants to see reinforcements brought in before anyone is allowed through the exit.

Murphy said: "If you're going to sell your best goalscorer and the top scorer in the Premier League, you better have a really good plan in place."

"You'll need somebody who's going to come in and be able to hit some really high numbers because if you sell Mo Salah, you get weaker."

"You need your best players on the pitch. So I disagree with that, I wouldn't be looking to sell him at all."

CURRAN RARING TO TAKE ON INDIA

CRICKET By ANDY MILLOM

SAM Curran insists he has been helped by England's controversial rotation policy.

The Three Lions have just copped a 3-1 spanking in their India Test series after shaking up the team for every game. They ended up with several key men sat at home rather than playing in the games.

The idea is that it's hard for players to stay in bio-secure bubbles for long during these strange times for the international game.

Curran is one of the men who could have come in handy for the five-dayers — but he was kept back to play in the one-day series that kicks off next week.

The Surrey all-rounder said: "There's been a lot of stuff spoken about rotation."

"I think as a player, I've found it beneficial. The bubbles are tough from a player's perspective, being away for long periods."

"Coming back after my break, I do really refreshed and raring to go for this white-ball series."

"I think it is going to be a great series. Various players have had breaks so I'm sure guys might say similar things."

"Everyone reacts to the bubbles in very different ways so that's why I think the ECB have been good to us as players to allow us to get out and come back."

"It's about keeping us mentally and physically fresh. I certainly appreciate the break I was given."

England have had their problems with the red ball but they are still No1 in the world when it comes to the shorter formats.

And Curran thinks his team have a big chance of winning the 50-over and T20 series. He

SKIPPER: Eoin Morgan

added: "It's a really strong side."

"I think any team that plays is going to try to go out there and win, with places up for grabs, so it's a really exciting time."

"I definitely felt I came back a much better player from the IPL."

"I got challenged in different ways, which I really enjoyed."

"I think it's benefitted my game. It's a fantastic tournament, us players love playing in it, great crowds, India's an amazing place to play."

"It's going to be great preparation and great for us to keep developing in these conditions. I'm really looking forward to it."

OLE GIVES UP TITLE BID

We can't catch City admits Solskjaer

OLE Gunnar Solskjaer says there's no chance of stopping Man City winning the title.

The Red Devils ended their neighbours' amazing 21-game winning run by stunning them in the derby at the Etihad.

But that won't be enough to blow the title race open according to the Norwe-

By JOHN ANTHONY

gian. He said: "We just take one game at a time."

"City are too far ahead for us to think we can catch them. Last year we caught 15 points up on Leicester, but City are a different proposition."

"Even in the derby they put us under so much pressure you could see we were

playing against a very good team."

"When you come away with a 2-0 win and another clean sheet and a performance like that then you are delighted."

City boss Pep Guardiola is singing the same tune as Ole.

His team may be a big 11 points clear of their rivals with just ten matches of the

season to go. Even if United win all their games, City can afford another three defeats on the run-in.

Looking at their fixtures that's not likely with most of the big boys out of the way.

He said: "We said many times there are still a lot of games to play, we have to start to win again and next game we have the opportunity to do so."
